Graphic Design Intern – The Bridge of Lubbock

Unpaid Internship

The Bridge of Lubbock is a faith based non-profit organization which seeks to empower at risk students to create a new vision for their future.

Responsibilities:

- Produce visual solutions using a mix of creative skills for website and marketing materials.
- Provide quality visuals for Bridge 2 Hope campaign that will increase participation rates.
- Use innovation to redesign current marketing pieces that align with the long-term vision of the organization. Possible outputs include: website, e-newsletters, mailers, donation receipts, and business cards, brochures for both the Bridge of Lubbock.

Qualifications:

- Knowledge of basic computer operations and software.
- Proficiency with Creative Suite.
- Website development experience a plus.
- Independent self-starter with effective problem solving skills and the ability to analyze and integrate information from relevant sources and make appropriate decisions.
- Excellent verbal, written and interpersonal communications skills and the demonstrated ability to work with diverse individuals and groups.
- Ability to remain composed under stress and take responsibility for delivering on personal and organizational goals and commitments.
- Able to multi-task and keep organized.

Time Commitment: 10-20 hours per week

Cover letter, resume and samples of your work should be emailed to admin@bridgeoflubbock.org
